

**OPEN ARMS CHRISTIAN PRESCHOOL  
PARENT INTEREST SURVEY**

At Open Arms Christian Preschool, we believe that parent involvement is very important. You are an invaluable part of this team effort. We hope that parents will always feel free to let us know how and when they would like to help in the classroom and out of the classroom. By volunteering, you get to know your child's teachers and friends in the classroom.

On occasion, we need parents to help teachers in the classroom. We need parents to drive on field trips. We need parents to come to the classes and share their special interests, hobbies and vocations with the children. We need parents to volunteer to be room parents to assist the teacher in arranging field trips and planning classroom parties, etc. We also need parents who are willing to substitute teach. If you would be willing to volunteer in any of these areas, please indicate below. Thanks for your participation!
