

# Summer at Camp Open Arms - Younger Class

## **Full-STEAM Ahead With STEM**

Science, Technology, Engineering, Art and Math, Oh, My! Explorations abound for our summer camp fun.

## **Rhyme Time (May 30-June 9)**

Rhyming with Mother Goose.

## **Under the Big Top (June 12-16)**

Oh, the shapes and colors we'll see!

## **Once Upon a Time (June 19-23)**

Kings, queens, castles...and, of course, dragons!

## **Three Cheers for the Red, White and Blue (June 26-30)**

We will be getting ready to celebrate our country's birthday!

## **What's Cooking? (July 5-7)**

Oh, the food we will make!

## **The Art of Science (July 10-14)**

We'll see how the worlds of art and science intertwine.

## **Let's Take it Outside! (July 16-21)**

The wonders of nature in the Summer

## **Careful! Construction Zone**

### **Ahead (July 24-August 4)**

Busy minds, busy hands, busy trucks, busy builders

### **Bubbling Over (August 7-11)**

We'll be bubbling over with excitement while exploring the world of bubbles!

## **Rocks and Minerals**

### **(August 14-18)**

What child doesn't like to dig for rocks? We'll explore the many types of rocks and minerals this week.

## **Water, Water Everywhere!**

### **(August 21-25)**

Summer is not summer without water! We'll end our camp with water-based art, water balloon toss, and so much more.

Camp themes subject to change.
